ZUOWANG Hotel

DUJIANGYAN | CHENGDU SHI - CHINA

LOCATION INFORMATION

Zuowang Hotel

Zuowang draws its inspiration from the philosophy of Zhuangzi, meaning “to sit in silence and forget oneself.” Nestled in the heart of Mount Qingcheng, a UNESCO World Heritage Site, Zuowang Hotel embodies a new vision of an exceptional stay in China, where nature, wellness, and spirituality converge.

Guided by a philosophy of retreat into nature and spiritual awakening inspired by Zen, the hotel blends harmoniously into a pristine environment of lush forests, crystal-clear rivers, and enveloping mist. Its contemporary architecture, open to the surrounding landscapes, invites guests to fully immerse themselves.

Designed as a true sanctuary for the modern traveler, Zuowang Hotel offers a unique experience combining understated luxury, wellness rituals, forest bathing, and absolute serenity. An ideal destination for a rejuvenating stay in China, blending inner reconnection with the discovery of exceptional natural and cultural heritage.
