

Take a countryside break at the Château du Boisniard, the new 5-star member of Hôtels & Préférence !

Set in the heart of the Vendée area, come and enjoy the peace and comfort of the Château du Boisniard. Here you will find many farm animals living within its 13 hectares of grounds. Choose between **one of the 10 top of the range bedrooms in the chateau**, one of **the 7 bedrooms in the Manor House**, and one of the **10 wooden chalets on stilts**. The haute cuisine restaurant “**La Table du Boisniard**”, has 2 forks in the Michelin Guide, and serves freshly prepared dishes based on regional produce. To make your stay really perfect you can take advantage of the spa with its Turkish baths, Jacuzzi and a **wide range of massages**.

The Wooden Chalets in the Château's huge grounds are completely separate and not overlooked, providing a cocoon of comfort on stilts. Relax for a while on the private balcony, overlooking all the natural beauty and the animals in the grounds. The comfortable and modern amenities in the chalets and their distinct décor are all discreetly tucked away in its natural setting, amongst horse chestnut trees. Each chalet is dedicated to a well-known **female personality** such as Coco Chanel.

It's practically compulsory to make a day trip to the Puy du Fou, voted the best theme park in the world, with its amusements that leave old and young alike dumbstruck! You will be taken there as VIPs by the chateau's staff. The hotel has been a business partner of the **Puy du Fou** for some years, and exclusive offers are available to you, such as special places for the grand displays, VIP parking, and the Cinéscénie, an amazing spectacle with 1200 actors in the individual- seated main grandstand. At the Château du Boisniard we also offer cookery courses and wine-tasting events.

Large luxury bedrooms for 2 people from 305€ per night.
