

Stay at the Mansion Hotel and immerse yourself into the Shanghainese culture!

If you are willing to discover the new economic power, you are welcome to stay in the most important city in China and discover its multiple aspects. The **five-star Mansion Hotel**, which is located in the heart of the historical center of Shanghai, greets you within the **old French District**. Built in 1932 by the French architect Lafayette, this former villa is composed of **24 modern rooms and suites** which all mix comfort, space and technology. The hotel also offers **2 gastronomic restaurants** in which you will have the chance to taste the best shark fins in town. Visit the **lounge bar** of the hotel, located on the roof, to get a breathtaking view over the French Concession District of Shanghai.

The diversity provided by this city will allow you to enjoy your stay and immerse yourself into the local culture and discover a **two-faced place**. West of the Huangpu River you will discover a **financial place**, made of futurist skyscrapers which will take you to a place full of richness. However, in the east of the river, you will enjoy by **art galleries and museums**. Take the time to visit one of the **ancestral temples** of the city on which the golden ornaments break away from the grey buildings. Finally, allow yourself a break by walking through one of the many **parks** you may find. The Fuxing Park is a peaceful place and remains one of the Shanghainese's favourite places to play draughts or practice Tai-Chi.
